

# Emma K. T. Benn

## **Increasing Inclusion, Promotion and Evidence:** Uniquely Merging My Intersectionality With My Profession as a Biostatistician

Emma K. T. Benn, DrPH, MPH is an assistant professor in the Department of Population Health Science and Policy and director of academic programs for the Center for Biostatistics at the Icahn School of Medicine at Mount Sinai. In addition to her biostatistical research on health disparities, brain injuries and skin bleaching, Benn is devoted to increasing the representation of underserved undergraduate and graduate students in the field of biostatistics.

Sponsored by the Statistical and Data Sciences Program and the Smith College Lecture Committee.

**Tuesday, March 5 · 5 p.m.**  
Seelye Hall, Room 106
